

Milo's movement song on the subject of "Bravery and Courage"

"I am Brave" (Berna Weber)

The world around me is big,	1 
The world around me is vast,	2 
Sometimes I feel so lonely and small,	3 
The thing is, I'm not large at all.	4 

And then I say "Stop!", and then I say "Stop!"	A 
I stand on my feet and stand up for myself.	B 
I stand on my feet and stand up for myself.	C 

I'd so much like to be a fighter,	5	
A real one, that'd be quite cool,	6	
A lot of courage is what I need,	7	
To defend myself, which feels good indeed.	8	

And then I say "Stop!", and then I say "Stop!"	A	
I stand on my feet and stand up for myself.	B	
I stand on my feet and stand up for myself.	C
